Wednesday nights at Zena's is Crafter Choice class night. This is where I teach a range of different styles of crafts, for example I have been teaching embroidery, applique and hand quilting.

Zena's Fabrics and Crafts, Shop 10 Lesmurdie Village, Sanderson Rd, Lesmurdie For any further information please call us at Zena's Fabrics on (08) 9291 9001 Crafts that are available to :

- Hand pieced quilts
- Hand Quilting
- Embroidery (stitcheries, candlewicking, etc)

- Folk Art
- Colourque
- Scrapbooking

- Beading Currently a number of my students are working on Folkart projects, which have been on wood surfaces, and also fabric, which has been a lot of fun. We have combined embroidery with folkart as well with great success. Another student is into scrapbooking, and as a beginner we have indulged in stamping and embossing pages as well. The idea for Wednesday nights is to just relax and let 2 hours run away with fun conversation, and yes we have the occasion to eat chocolate, crafting with friends, this will also give you the chance to finish any UFO's as well. Students are eligible to receive a 10% discount on any product that is bought for class.
